

13 April 2018

Inner City Bypass Upgrade – Weekend lane closures

Brisbane City Council and Transurban Queensland wish to advise of weekend traffic changes on the Inner City Bypass (ICB).

Weekend traffic changes will take place from 2pm Saturday 21 April until 5am Monday 23 April 2018.

For the safety of workers and motorists, the following traffic changes will be in place during the above time:

- the ICB eastbound will be reduced to two lanes between Legacy Way and the Herston Road exit from 2pm to 8pm on Saturday and 5am to 8pm on Sunday.
- the ICB eastbound will be reduced to one lane between Legacy Way and the Herston Road exit from 8pm to 5am.
- the Herston Road exit will be closed from 10pm to 5am. A signed detour will be in place via Lutwyche Road and Bowen Bridge Road.

What to expect during construction:

- ICB eastbound lane closures and Herston Road off-ramp closure
- A signed detour will be in place via Lutwyche Road and Bowen Bridge Road during the ramp closure (refer to map for detour)
- Traffic control and reduced speeds will be in place to ensure the safety of road users
- Increased noise and light from construction activity
- Increased activity around the work area including the presence of workers, vehicles and equipment.

In the case of adverse weather conditions or delays, this work will be postponed to the next available weekend/s.

We appreciate your patience and understanding and will work to minimise any disruption to your travel as much as possible.

About the Project:

Brisbane City Council and Transurban Queensland are widening the ICB between Legacy Way and the RNA tunnel to increase capacity and allow for future traffic demand and growth along the key corridor. The project will improve travel times and safety for all road users as well as improving connectivity to the wider road network.

The upgrade includes:

- widening the ICB westbound from three to four lanes between the westbound approach to the RNA tunnel and the Legacy Way portal
- widening the ICB eastbound from three to four lanes between the Legacy Way portal and Herston Road exit

FOR MORE INFO

[website](http://www.brisbane.qld.gov.au) brisbane.qld.gov.au | [email](mailto:cityprojects@brisbane.qld.gov.au) cityprojects@brisbane.qld.gov.au | [call](tel:1800870437) 1800 870 437 | [twitter](https://twitter.com/brisbanecityqld) @brisbanecityqld

All updates and planned activities are subject to weather, schedule changes and variables.

- construction of a new westbound ramp to the ICB from Bowen Bridge Road, open to all vehicles and allowing buses to connect directly to the ICB from the Inner Northern Busway
- new bus priority measures at the Herston Road exit off the ICB, including a new dedicated bus priority lane.

Working with you:

Brisbane City Council and Transurban Queensland are dedicated to the minimising the impacts of the ICB upgrade on motorists, the community and environment.

If you would like more information about these works please contact Brisbane City Council's project team:
