### Scheduled closures of AirportLink for routine maintenance activities – December 2017

Motorists are advised there will be temporary overnight closures of AirportLink during December 2017 to enable regular maintenance activities to be safely undertaken.

#### AirportLink will be closed as follows:

Date and time	Tunnel CLOSED	Tunnels open
From Sunday 3 December to Monday 4 December between 10pm and 5am each night:	<b>Westbound</b> tunnel will be closed, including all approaching onramps.	East, north and southbound tunnels will be open during these times.
From Tuesday 5 December to Thursday 7 December between 10pm and 5am each night:	<b>Southbound</b> tunnel will be closed, including all approaching onramps.	East, west and northbound tunnels will be open during these times.
From Sunday 10 December to Tuesday 11 December, between 10pm and 5am each night:	<b>Eastbound</b> tunnel will be closed, including all approaching onramps.	North, west and southbound tunnels will be open during these times.
From Wednesday 12 December to Thursday 14 December between 10pm and 5am each night:	<b>Northbound</b> tunnel will be closed, including all approaching onramps.	East, west and southbound tunnels will be open during these times.

#### What to expect:

- Traffic control and detours will be in place each night during these closures
- Motorists are advised to take alternative routes during these periods.

We thank you for your patience during these maintenance works and in following traffic control signs and personnel.

#### Working with you

Transurban Queensland seeks to minimise the impact of its maintenance activities to motorists and stakeholders.

A comprehensive stakeholder and community relations plan is in place, which includes early notification for residents, businesses and motorists about planned works.

If you have any queries in relation to these works or our community engagement, please contact us via [motorwayenquiries@govianetwork.com.au](mailto:motorwayenquiries@govianetwork.com.au).
