

Date: 9 February 2018
Ref: CLEM7 018

Scheduled closures of the Clem7 for maintenance activities – February 2018

Motorists are advised there will be temporary overnight closures of Clem7 during February 2018 to enable regular maintenance activities to be safely undertaken.

Clem7 will be closed as follows:

- From Sunday 18 February to Thursday 22 February 2018, between 10pm and 5am each night:
 - Northbound tunnel will be closed, including all approaching onramps
 - Southbound tunnel will be open during these times.
- From Sunday 25 February to Thursday 01 March 2018, between 10pm and 5am each night:
 - Southbound tunnel will be closed, including all approaching onramps
 - Northbound tunnel will be open during these times.

What to expect:

- traffic control and detours will be in place each night during these closures
- motorists are advised to take alternative routes during these periods.

We thank you for your patience during these maintenance works and in following traffic control signs and personnel.

Working with you

Transurban Queensland seeks to minimise the impact of its maintenance activities to motorists and stakeholders.

A comprehensive stakeholder and community relations plan is in place, which includes early notification for residents, businesses and motorists about planned works.

If you have any queries in relation to these works or our community engagement, please contact us via motorwayenquiries@govianetwork.com.au.
